

About B+S GmbH Logistik und Dienstleistungen

Since 2001, B+S GmbH Logistik und Dienstleistungen, a provider of logistic services located in Borgholzhausen (Germany), stands for individual and efficient logistic- and service concepts. With 13 locations in Germany and 500,000 square meters of logistics space, the company offers ideal logistics solutions and a broad range of Value Added Services, such as commissioning, display construction and quality inspections. The company, situated at the Teutoburger Wald, is specialised in quick and customised implementation of complex logistic applications. This includes the development of software and IT interface solutions. Another core competence is the realisation of new, customised logistics facilities. More than 1,200 staff members and an own environment-friendly transport fleet of 80 vehicles guarantee a reliable and flexible transport and logistics service. All B+S locations are IFS-certified. This enables the company to guarantee a permanently high and consistent quality to its customers. The logistics provider performs national and international transports with its own fleet as well as in a Europe-wide partner network. The focus of activities is on contract logistics and E-Commerce Fulfilment. B+S is Germany-wide established in the industries of food and pharma. Furthermore, the company operates across sectors. B+S has been part of the Nagel-Group since January 2022 and will continue on the growth path together from now on.
